

CEP Announcement and Kindergarten Milk Program

We are pleased to inform you that TASD will continue to offer our food service program under the model known as the Community Eligibility Provision (CEP) in the **24-25** school year.

All enrolled students are eligible to receive a nutritional breakfast and lunch each school day at **no charge** to your household. This does not include double lunches or ala-carte purchases. They must be paid for at the point of sale.

The kindergarten milk program will also be offered at no charge to our students. Permission slips are required.

No further action is required of you.
