

Domestic violence 101

PRESENTED BY SCHUYLKILL HOPE CENTER

22 September 2021
6 PM to 7:30 PM

About this presentation

This presentation will provide a brief overview of what domestic violence looks like and the forms of violence that are commonly experienced in abusive relationships. Discussion topics include characteristics that are common in both batterers and victims, ways to identify red flags in relationships, and Schuylkill Hope Center services available to community members experiencing domestic violence. We will also explore ways to help parents identify tools to use when talking about teen dating violence with their children. **Presented by Tori Shuman**
