

Accelerated Reader

Dear Parents,

Below are the finalized requirements for Accelerated Reader for the 2022-2023 school year. In the first marking period, students are introduced to and get an opportunity to use the AR program, earning points toward their Accelerated Reader grade. As we progress through the year, students develop better reading habits, become stronger readers, and reading levels increase. Students will be required to earn a certain amount of points for a passing grade in Accelerated Reader in all four marking periods. Please review the following information and contact me at any time if you have any questions.

1st Quarter
