Secretary report:

- Minutes from 11.4.24 were reviewed. Motion to accept made by Jen Mateyak, seconded by Cheryl Sitlinger. All approved.
- SGOC #9894 valid 8/15/24-8/14/25.
- There have been some auxiliary groups not attending TABB meetings. In order to remain “in good standing” a representative should attend.
- Contact Chart - intent is to have one person per auxiliary group. That person is then responsible for sharing with other officers and the booster group. Please send updated TABB contact to Doreen at doreenmilot1266@gmail.com.

Treasurer report:

- Account balance \$3600.00.
- All groups should check the treasurer report and notify Mike of any questions or concerns.
- **DUES:**
 - Cheerleading and Softball still owe 2024-2025 dues in the amount of \$25. This was stated in the November minutes as well. This must be paid ASAP or risk removal from TABB.
 - Varsity Swimming owes 2025-2026 dues in the amount of \$25.
- Motion to accept made by Karissa Brothers, seconded by Ketsy Schlosser. All approved.

Old business:

- Raffle tickets - Please follow guidelines outlined on the TABB section of the TASD Athletic page for 50/50 and raffle submission – there is an established timeline and a form to complete prior to getting funds to TABB treasurer, Mike.
 - Additional tickets may need to be ordered. Mike will take care of this. TEPTO has some unused tickets to return.
- The SGOC license must be displayed at all 50/50 locations and on all tickets/pull-tab, etc. No online or credit card payments permitted.
- Please continue to notify Mike via email of **all** planned fundraisers. Be specific - dates, product, etc. Mike will update that portion of the website with new information. If you would like any of your fundraisers to be displayed on the new marquee please request with Mike.
 - Clarification provided for the school-based groups: share all fundraiser information (using SGOC or not) with building principal and Mike Hromyak. Mike will forward to the Superintendent and the group will receive notification of approval or question. Sport-based groups continue to notify Mike and he will forward to Ray Kinder.
- Please continue sending player/team pictures to Mike for posting to social media and Big Teams.

- Photographer/Videographer - all must complete the required volunteer clearances and submit those to Mike to be kept on file. Most commonly used people are on file, please check with Mike if you use a new person.

New Business:

- First mandatory practices for winter - March 4
- Review all TABB information on the district website under the Athletics tab. Direct Link: <https://www.tamaqua.k12.pa.us/domain/13>.
